Turnpike Under Contract Nov. 21

Turnpike Authority will accept bids on November 21 on two road-way construction contracts totaling 9.25 miles which will put the entire 155-mile turnpike extension under contract in less than one year.

The bid letting will be held 9:30 a. m. in the Cherry Plaza Hotel in Orlando.

First bids on the extension construction were accepted in December, 1961. Two of the first three contracts have been completed and will be officially accepted by the Authority later in November, according to Authority Chairman John M. Hammer.

Hammer said the entire extension definitely will be completed and in use by January 1, 1964, and that the 102-mile portion between Orlando and Fort Pierce "probably will be opened to the public in the latter part of 1963."

Hammer announced that the extension construction program was 29 per cent complete as on schedule.

Knight Ranch Sale Runs \$800,000 Cash

Realtor Thurmond Knight, of Riviera Beach, has announced the closing recently of sale of a 4,640 acre ranch in Hendry County, south of LaBelle.

Seller was Asa Townsend, a resident of the area for 51 years, who is moving his family to Australia. His three sons and their families have preceded him, and are already operating a large ranch there. Mr. and Mrs. Townsend with their daughter and son-in-law will follow soon.

The ranch was sold to A. Duda & Sons of Oviedo, Florida, large vegetable farm operators of Oviedo and Belle Glade.

This was an all cash transaction involving land and cattle for approximately \$800,000.00.

Scarce Beans Are Sold At Good Price

Beans in the upper Glades are scarce at this particular time and the price is rather good, so say the growers. The Pompano market seems to be a little higher each day than the Glades market and that is something hard to figure out, so say producers and salesmen.

During the week beans have been selling for \$3.25 to \$4.50 per hamper and on some of the same days that they sold for this figure here, the price was 50c better per hamper on the Pompano market. Harvesters, Extenders and Wades brought the aforementioned price on Monday of this week.

One salesman said that beans were scarce and that he could have sold many more had they been available.

Palm Beach Comes To Pahokee Tonite

A lot of water has evaporated out of Lake Okeechobee since Palm Beach High Wildcats played the Pahokee Blue Devils on the gridiron in Pahokee. However, tonight on Lair Field the county scat boys will do battle with the youngsters of Pahokee High.

The Blue Devils of Pahokee and rain combined to dampen the Seacrest High School Homecoming festivities and title hopes, with a 20-12 decision in Suncoast Conference football action there last Friday night.

Belle Glade's powerful grid team remains unbeaten today—but not unscored upon.

Fort Pierce's Dan McCarty High School saw to that Friday night as they came up with a last period touchdown in a 13-7 loss to the Rams.

The Rams, who now boast an 8-0 season record and 6-0 mark in the Suncoast, now have only Riviera Beach and Pahokee between them and the league crown.

Belle Glade Votes New Hospital Bond

Southwestern Palm Beach County will have a new 75-bed hospital facility at Belle Glade, near the present 45-bed Belle Glade Memorial Hospital, before many months. Plans for the proposed facility, to cost approximately \$2,000,000 with the inclusion of anticipated federal Hill - Burton funds, were emphatically ratified at a \$1,200,000 bond election Tuesday by freeholders in the five-precinct Southwestern Palm Beach County Public Hospital District.

A total of 1,129 of the district's 1,907 freeholders participated in the election Tuesday, 971 voting for and only 158 against.

County commissioners Wednesday certified Belle Glade's, 971-for, 158-against bond issue referendum, clearing the way for construction of the new hospital.

SR27 Contracts To Be Let By August

John Monahan, member of the State Road Board, on Monday of this week informed County Commissioner Paul Rardin that present plans call for having all of SR27 under contract from the Hendry county line to South Bay not later than August 1963.

At present one contract from the Hendry county line to Bare Beach is under way at a price of \$1,400,000.00. Mr. Monahan said that another \$1,000,000 contract will be let for another four miles in March, 1963, and that the final link of five miles will be put under contract in August 1963.

The construction of this stretch of road comes higher than any other in south Florida, according to SRD records.

Turkey Eve Game To Decide Pennant

For the sixth successive season the Suncoast Conference's football championship will not be decided until the campaign's final week.

This time, contrary to pre-season expectations, the renewal of the Pahokee Belle Glade arch-rivalry on Thanksgiving Eve will decide the pennant. Lake Worth and Seacrest, who won the past two years' races, were the '62 favorites, but both are out-of-the-flag contention with the race now in its final month. Vero Beach had the '56 pennant locked up before its windup game that fall, but ever since then it's been no decision until those final games.

The two leaders have their ninth games of the fall on a six-game Suncoast card this Friday night, and then rest until their finals. Belle Glade, winner of eight straight will play its sixth and last home game entertaining hapless Riviera Beach which had lost eight straight and faces prospects little chance of ending that horrendous string. Pahokee will host Palm Beach in a non-league encounter. Pahokee is 7-1 over all compared to the Wildcats' 4-4. Assuming Belle Glade wins, Pahokee can do no better than a title tie by winning that Nov. 21 finale.

The other three conference games Friday all look like pure tossups. Ft. Pierce will invade Lake Worth, and the improvement shown by the Eagles makes them a good match for the hosts. Stuart visits Clewiston with both aiming to end long loss streaks. Clewiston has dropped six straight in the league, while Stuart has lost five successive times after starting with two victories. Seacrest, still on Forest Hill. The pair are virtually tied in the standings now, so fourth place goes to the winner, as Seacrest if they tie. Vero Beach hosts Titusville in another non-league contest.

Belle Glade finally surrendered a score last Friday when Ft. Pierce's Roy Shank returned the kickoff after the Rams winning touchdown 85 yds. for a six pointer, but the Rams won 13-7 on scores by Tom Close and Duff Mills. The Rams had gone seven successive games without allowing its foes to score. Pahokee clinched second place with a comeback 20-12 success at Seacrest as Hal Peacock scored a touchdown and passed for two more.

Lake Worth rebounded with Fred Mayer scoring 16 points to pace a 28-0 rout of host Clewiston. Sophomore Jim McCray scored three times to lead Forest Hill to a 26-0 romp over guest Stuart which couldn't get beyond the Falcons' 21. Vero whipped Riviera 24-14 and Palm Beach defeated Cardinal Newman 26-6 in non-conference play.

Peacock added to his lead as the loop's top scorer now with 55. Next comes Seacrest's Dan Gibson at 45. Close with 42, Mayer with

40, Mills with 32, Ft. Pierce's Ernie Russakis with 26, Seacrest's Larry Henderson with 24 and Pahokee's Alberto Morrell with 19.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

*"Today we need a nation of Minute Men
citizens who regard the preservation of freedom
as a basic purpose of their daily life"*

—JOHN FITZGERALD KENNEDY

10 days after his inauguration
as the 35th President of the
United States.

Twenty years ago, in the dark, uneasy days before Pearl Harbor, the Minute Man of Concord, timeless symbol of our Nation's determination to defend its freedom, emerged as the emblem of the U. S. Savings Bonds Program. When war came, the Minute Man became the rallying force behind the huge and overwhelmingly successful effort to back our fighting men with War Bonds.

In this, the 20th anniversary year of Savings Bonds, the Minute Man of Concord calls all Americans to an unremitting effort to help preserve our peace and freedom, threatened by forces more powerful and resourceful than those we faced in 1941. Though this effort will take many forms, one way open to all is the continued investment in Shares in America, U. S. Savings Bonds, by "citizens who regard the preservation of freedom as a basic purpose of their daily life."

For 20 years America's newspapers have published Savings Bonds ads at no cost to the Government. The purpose has been to help the Government raise money for the war effort. For this patriotic support
